VALHALLA

George S. Parker Senior High School
Janesville, Wisconsin
Volume Seven

It's a warm bright morning in late August.

The beginning . . .

As Sophomores, we ramble aimlessly

Through the hallways of Parker,

Caring for nothing but the gossip.

The laughter

Unaware of upperclassmen's reproachful stares

Happily living tomorrow's memories

Now those days have vanished.
We're Juniors discovering
The pride
Which lie hidden
Beneath the familiar hallways . . .
Thankful our biology days are over;
Anxiously awaiting
The promises
Tomorrow will bring.

And suddenly tomorrow is today.
June has arrived and we're Seniors.
For the last time
We walk slowly
Down the long dimmed hallways
And recall
The tears,
The joys,
The heartaches.
That these hallways represent.
And somehow you yearn
To live one more day,
Climb one more step,
Achieve one more goal

We hope the moments and ideas
Which have now passed
Will be relived forever,
For they are captured here
Within the pages of
The 1974 VALHALLA.

Special Events Arouse Students

Participation makes a school a whole working unit. The students at Parker do their best to make that statement true.

On April 1, '73, Parker had a mass clean-up in view of ecology day. All the students helped clean the student parking lot and the entire school. Very few students drove cars that day.

Parker Playhouse put on their annual group of plays with "Camelot" being the final production. It was a great success due to the dazzling performances of the entire cast.

Spring Sports Stir Enthusiasm For Girls and Boys Alike!

The spring of 1973 was a great season for Viking sports fans. The Batmen captured second place in conference with Coach Dale Barry becoming Conference Coach of the Year and Pete Schaffner, Conference Player of the Year. For girls' track, Lori Leyes advanced to state competition and placed sixth

in the high jump. Pat Brennan swung his way to the regional title, placed second in sectionals, and qualified as a state contender. The mile relay team of Gary Arenz, Jim Buscemi, Gary Dannenberg, and Dan Welch won fourth at the state track meet

May Brings Prom, Achievements, and Finally . . .

At Parker High, May '73 meant more than just the last month of the school year. The Juniors struggled to create their Prom. "Red Sails in the Sunset," by May 5. Decorations created an atmosphere of the open sea. The main event of the night came when King Eric Edmundson crowned Angie St. Claire his queen.

The Fidelis Senior Tea, also held in May, honored all the girls of the departing Senior class. Fashions from various clothing stores in Janesville were modeled and then refreshments were served.

At Parker's Art Fair, students were given a chance to display projects they've completed. Shelly Palan, Delores Cavey, Dave Ledger, Margaret Anderson, Mary Mowris, and Paul Graf received recognition.

... Graduation!

All those memories come back so clearly. The bad and the good, times we hated school and all its connections, but now wouldn't trade for anything. Why do we remember? What makes these memories come flooding back? Graduation.

On Thursday June 7, Parker High School's Class of 1973 said goodbye to adolescence and whispered a question to the future; Will we make it?

Anxious Students Return to A New Scheduling System

Parker students returned to school under the influence of apprehension and excitement. The 73-74 school year would be one of many new changes in class scheduling.

Variable Time Block scheduling was initiated into the system and all the students were anxious to see how it was going to work out.

Many students would be confused and some still are. Under Variable Time Block, many classes would meet only three of the six days giving students large amounts of free time which they never had before. This year will prove to be a year of evaluation by students and teachers alike.

Homecoming '73: a Jam-packed, Fun-Filled Weekend!

Parker's Homecoming on October 5 and 6, got off to a good start with the Homecoming assembly. Later that evening, the various floats began their procession from the Courthouse to Monterey Stadium.

Parker was defeated by La-Follette but our spirits remained high. At half-time, Robbi Seales was announced as Homecoming Queen. The Homecoming Dance on Saturday night ended an exciting weekend.

Class of '74 Becomes Olympic Two-timers

The 1973-74 Olympics, held the week of October 22-26, were a great success for the Senior class. Since the Olympics first started in 1968 the Senior class had always taken first place. Then in the 1972-73 Olympics, the Junior class upset that record by taking first place and the trophy. Now that same class as Seniors again took first, setting a new record of winning two years in a row.

Seniors, Juniors, Sophomores and faculty participated in swim, track, football, archery, basketball, volleyball, softball, and a tug-o-war held during the pep assembly on the last day of Olympic Week.

In the tug-o-war, the faculty won for the boys and the Sophomores won for the girls.

Students Look to the Future

Students constantly ask questions about the future. What will I be? What do I want to be? Answers for these questions are not easily found but the administration at Parker is helping.

A day known as career day, started in 1969, gives students a chance to talk with special speakers about their occupations. In this way, students can learn more about a profession they are interested in.

In the IMC, students can meet with representatives from colleges all over the state. This gives them a chance to select the college best suited for their interest.

On November 8, 9 & 10 the Parker choirs presented the musical Pirates of Penzance.

TOP LEFT: Liz Samb and Nancy Poor help paint the student mural in the cafeteria. ABOVE: Sue Fugate consults with a college representative in the IMC. LEFT: Marine recruiter tells students about the Marine Corps today.

Vikings Thrive On Cold Weather Sports And Activities

Cold weather activities kept Parker busy, busy, busy! Sports-minded girls participated in GAA and inter-school conference competition. The girls' basketball team produced a 7 win, 3 loss record for their best season ever.

The Viking Wrestlers grabbed the Big '8 title for the third year in a row and sent two grapplers, Mark Gordon and Ron Mayfield, into state competition.

The Parker Ski Club enjoyed this year's cold, snowy winter.

They took ski trips to Rib Mountain and Devil's Head.

In January, Parker students participated in a mock emergency designed to see how Mercy Hospital could handle an excess of emergency patients. The "accident" was supposedly a radioactive explosion.

The measuring for caps and gowns in February was a big step towards graduation for the 1974 Senior Class.

"Antigone" and Christmas Brighten Parker

On November 29 & 30, the Greek tragedy "Antigone" with Marit Berge, who is from Norway playing the main role, was presented by Parker Playhouse. The great performance by Marit and the rest of the cast, made the play another Playhouse success.

On Friday, December 21st, the annual Christmas Assembly of skits and choral performances was held in the gym. The main attraction was Santa Claus who provided amusing entertainment for all present.

Seniors Look Toward the Future

As seniors at Eastern High School look toward the future, they are faced with many decisions. They must decide what to do after graduation, whether to go to college, to work, or to travel. They must also decide what to do about their personal lives, whether to get married or to remain single. They must also decide what to do about their careers, whether to enter a profession or to work in a business. They must also decide what to do about their future, whether to be ready for life.

ORGANIZATIONS

Student Council Undergoes Change

This year the Student Council took on a new way of selecting representatives. Rather than having a representative and vice-representative from each advisory, they only selected ten representatives from each class. To give our council some good solid ground to stand on, we sent eleven council members to the state leadership training workshop in Stevens Point. Also during the summer, the council president, Eric Edmundson, went to the National Leadership Conference in Colorado. Council's biggest project this year was the parking lot campaign. Each class was in charge of keeping the parking lot clean for one month. Juniors were in charge during October, Seniors took it in November and Sophomores did it during December. Other council projects were the CROP WALK, back to school dance, parent visitation days, and orientation for the Sophomores.

Parker Latin People Capture State

The Latin Club, advised by Mrs Silness attended the WJCL State Convention held at Lakeland College in Sheboygan on October 26. They attended workshops, seminars, resource speakers, contests, and general meetings. The JCL'ers returned from the convention with newly elected '74-'75 President, Tom Gehl; Treasurer, Steve Osborne; Historian, Keith Stubbendick; and Parliamentarian, Sue Titus. Also the WJCL traveling trophy was awarded to Parker for the second year in a row. Considering the fact that the Parker JCL group held the offices also of President, Treasurer and Parliamentarian in '73-'74, along with Don Welch National President, Parker would like to extend to them our congratulations.

DECA Club Gives View of the Business World

In the fall members of the Parker DECA Club attended a leadership lab that was held at Devilhead. A Southwestern Leadership Conference was held in Whitewater where 20 students were selected to go and compete in various busi-

ness events. Later in the year 10 students went on to a State Conference in Greenlake. A big event for many of the students was operation Copps. Thirty students went into Copps and ran the store for a day. Sponsoring a jam, selling Hal-

loween Insurance, and operating the Parker Novelty Shop were money raising projects held in order to participate in the various activities. This year's DECA Club was advised by Mr. Farrell

Forensics Hosts Tournaments

Forensics is an organization geared to helping students communicate ideas with self-confidence. Parker forensics was involved in the Big "8" meet and tournament. There were five meets during the year. Members

got involved with students from the Wisconsin High School Forensics Association. This year Parker hosted two tournaments. One was the February Big "8" meet and the other was the WHSFA sub district contest.

'73-'74 Keeps Photo Club Busy

Photo Club kept busy setting up and taking pictures for the Valhalla and Odin this year. A greater variety of subjects were covered which meant more time and energy on the part of the members. More involvement and time produced clearer and more interesting pictures. With the money raised in developing and printing pictures the club purchased more and better equipment. Advisor of the Photo Club this year was Mr Robert Pitcher.

Debate Team Gains Strength

This year Parker's debate team debated the resolution that the federal government should provide a program to employ all employable people living in poverty. They went to several debate tournaments during the season. They debated at Steven's Point, Madri-

son, Whitewater, and Milwaukee. They were the best affirmative team in the Big "8", placed 1st at Milwaukee, and 2nd at Steven's Point. Sandra Barkley received an award for Best Affirmative speaker at Steven's Point.

Odin Takes on a New Look

A new look was added to the Odin this year when Terri Thompson developed a new masthead to replace the traditional one. Under the direction of Mrs. Julie Koerth, advisor, the editors and staff of the '73-'74 Odin covered news from a wider perspective. It got the teaching staff as well as students more involved and contained more opinions. An Odin reporter was added to the staff which covered all student council happenings. More feature stories and special interest articles were added to the columns to form a more interesting and worthwhile newspaper to read.

Band Expands Experiences; Win First in Chicago

Under the direction of Mr. Richard Pettibone, the Parker Band has become more involved in state-wide functions this year. The band participated in the Columbus Day Parade in Chicago on October 8th and won two trophies: one for the band's general effect, the other for rifles. The pep band was furnished

with new outfits this year: green sweaters and straw hats. Some of the fund raising projects were a stuffed animal sale, Christmas tree sale and a "Parker Tag Day". A four day trip to Canada was held in the spring. An exchange band from Canada was hosted here at Parker.

FFA Group Wins Awards for Service And Achievement

Hard work leads to success and awards, but extra work and effort lead to special awards. This year Parker FFA with some help of last year's FFA Chapter received two special awards which were presented at the national convention. These awards were for a total rating of chapter activities and for the work done in "Building Our American Communities." The Parker FFA group won the National Silver

Award which includes the top 7% in the nation. This year's parliamentary procedure team won the district competition for the third year in a row. A few projects handled by the FFA group included placing garbage cans in the parking lot here at school and the distribution of gallon cartons of a salt and sand mixture for Janesville's winter use. Advisors of this club were Mr. Stalter and Mr. Etienne.

Home Ec Club Goes Co-ed

This year the Home Ec Club went co-ed with the addition of one boy. Under the guidance of Miss Christner, advisor, this enthusiastic group took part in many activities. Wednesdays were set aside for

visits to St. Elizabeth's home where members visited with the elderly. They sponsored faculty teas and holly sales at Christmas time for money making projects.

Safeteens Assist Novice Drivers

Safeteens assisted teachers and students in driver's education. They did such things as setting up and assisting on the range for each lesson, and also classroom teaching. All of the members completed driver's education and are now using what they have learned to help others.

Fidelis Serves the Community

The '73-'74 Parker Fidelis, advised by Mrs. Black, served the community this year by visiting Rock Haven and playing Bingo with the old folks once a month. They sponsored "Sunshine Parties" for the forgotten old folks on Easter and other occasions. The group held a coke party to welcome and encourage membership of the Sophomores early in the year. Later they sponsored the Parker-Craig Jam to raise money for activities and scholarships that were given to girls with the highest points. Parker Playhouse Captivates Audience

Parker Playhouse presented an exciting year of drama and comedy. For the first play of the year, Mr. Milam, Parker Playhouse's advisor and director, assisted by Mr. Danielson and Mr. McCoy chose the Greek tragedy, "Antigone". This play was chosen to be taken to La Crosse for the State

convention of the International Thespian Society. The play was presented for the public in late November. The comedy "If a Man Answers" mocked the typical man by showing how he could be trained with a dog obedience book. It was presented in February. The world famous Charlie Brown cap-

tured the imagination of the audience in April with the play "You're a Good Man, Charlie Brown". Parker Playhouse also helped in making the choir production of "Pirates of Penzance" a success in November.

Administration Makes the Difference

Seeing that the Janesville schools keep meeting the needs of Janesville's students was the prime responsibility of the Board of Education. Mr. Fred Holt, Superintendent of Schools, and Dr. John Zei, Secondary Supervisor, oversaw the administrative work of the schools.

Principal Hugh Horswill, with the assistant principals, Mr. Richard Iglar and Mr. Joel Moore, designed programs which would help students. Parker's Variable Time Block scheduling was an example of a combined effort to make learning easier for students.

Counselors Help Fill Student's Needs

The counselor's main concern this year was to help Sophomores, Juniors, and Seniors select classes to best fit their individual needs. They gave guidance to students with home or school problems and encouraged students to plan their future.

Parker's three counselors were Mrs. Ruth Zei, Sophomores; Mr. George Robinson, Juniors; and Mr. David Soderberg, Seniors.

Mr. Soderberg had his work cut out for him with all the scholarships, tests and college applications.

Tests available for the students were the PSAT test for both Juniors and Seniors taken in October and the SAT test for college-bound Seniors in December.

Peer Assistants And Students Benefit From the New Program

The IMC has been busier this year because of the time block scheduling. The new scheduling allows for constant use of the resources and visual and nonvisual materials. At times the IMC has

been so crowded that librarians have had to send students out for lack of room. Instead of volunteered help, peer assistants were able to earn credits and learn more about the library system

ABOVE The library is always filled, but not for social gatherings

Students Become Involved Through ISS Open Lab Work

The Variable Time Block schedule made open lab work mandatory for ISS students. The open lab was used to work on ISS packets, view slides, read, or do homework. Grades of higher than a 'C' in ISS were achieved only if the regular class periods were attended and more than average work was done

in the open lab. Some students had problems because their schedule did not permit enough time to do the extra work in the open lab.

New ISS teachers were Mr. Reis who came from Wells School in Milwaukee, and Mr. Masterson who taught at Beloit Memorial High School.

Energy Crisis Affects Driver's Education Dept.

The driver's education department experienced something different this year. The new schedule did not allow the students and teachers to meet everyday. The students had to sign up for their road lessons on their free time. During their class periods they had range, simulation, or classroom discussion.

They also experienced problems with the energy crisis. When students didn't show up for the road lessons it was a waste of gas because they had to make extra trips so they could make up missed lessons.

Co-ed Activities Are Something New at Parker

New and different things took place in the Phy-Ed department this year. The staff allowed all the juniors and seniors choose the activities to participate in during the year, having a total of six units and each unit being six weeks in length. Instead of receiving a grade every nine weeks, the student received one grade each semester. In the girls phy-ed department they decided to have sophomore girl cadets along with the junior girl cadets. Making so they will have two years to help teach with other classes.

Juniors and Seniors took advantage of the elective co-ed program. All phy-ed classes were co-ed, except the cadet classes. Cadets here ones to have phy-ed everyday out of the six day cycle, while all the other classes met three days during the cycle.

Business Ed Takes On Some New Changes

This year advanced classes in Business Education were able to meet longer than they ever were able to before because of the new schedule. Most of the Business courses met only every other day from one to two hours. Some typing classes and shorthand classes met all but one day for 45 minutes a day. Either way, more time was allowed this year.

A new course, Office Education Co-op, was offered second semester. It enabled the student to work and still get credit.

Two new teachers were added to the Business Education staff this year. They were Mrs. Sue Olson, who was an instructional aid, and Mr. Jon Jerome, who taught typing and Accounting II.

Vikings Look to Brighter Future

Participating in the Big Eight
Conference was no easy task as
this year's Viking Football Team
found out. They finished with a 0
win, 6 loss record in conference
play and a 0-8-1 overall. The rec-
ord doesn't show the hard work
and determination of this year's
team or the togetherness this
team possessed.

Coach Barnabo's team was led
by Bill Perry as Most Valuable Play-
er and Brian Johnson and Dan
Welch as Co-captains; Pete Swen-
son was the Most Improved Player.
Pete Swenson, Bill Perry and Dan
Welch also made All Big Eight
Honorable Mention.

Girls Swing Into Competition

The 1973 Girl's Tennis Team, coached by Mrs. Meyer, smashed into another year of competition. Although the season showed only one win, the individuals themselves gave some tough competition. The doubles team of Peggy Kirkeeng and Deb O'Leary, and Alison Geyer and Laura Sutherland in single match, advanced into the sub-sectionals.

The team selected Deb O'Leary as Captain, Alison Geyer Most Valuable Player, and Kathy Trafford Most Improved.

Swimmers Break 11 Records

This years 1973 Girl's Swim Team was started with enthusiasm and determination by setting 11 school records. The team was coached by Miss Luther. Team Captain, Joy Minnick, set 3 school records in the 100 yd. backstroke and was a member of the 200 yd medley and 400 yd. freestyle relay teams. Laura Glass, Most Valuable Player, Jennifer Miller set 3 school records. This year's team ended with a 1 win 5 loss records, their victory being over Madison LaFollette and came within 2 pts. of beating Craig

Harriers Run by Craig

Parker's 1973 Cross Country Team, although very young and inexperienced, worked it's way to a fine 4 win, 4 loss dual meet record and 5th place finish in the conference. The highlight of this year's performances was the Viking Harriers first victory over Craig in Parker's history

This year's team elected Dave Tomten as Most Valuable Runner and Bob Slatter, Parker's only Senior Runner, and Jay Crandall as co-captains. Greg Stevens was elected Most Improved. Because this year's team had only one Senior runner, Coach Sam Mylin is looking forward to a fine season next year

Injuries Hamper Gymnasts

The 1973-74 Gymnastics team was hindered noticeably by injuries. Though there were many injuries this team had a togetherness that was quite unique. There was always someone willing to put in extra practice, and willing to fill in where needed. The team finished with a 1-7 record overall and made

a fine showing in the conference meet by finishing third

The team was lead by Captain Rich Jones and Most Valuable Player Terry Werner. Also Larry Teske was voted Most Improved Player. Coach Cline hopes for a dedicated group like this next year

Vikings Face Tough Losses.

The 1973 74 Basketball team had a tough season. They finished 5th in the conference and finished with a 6 13 record overall. The team was eliminated by Craig in the regional tournament to finish the season. Dave Bobzein was named to the First Team All Conference, elected Team Co-Captain

with Mike Fernan. Mike Fernan also received Honorable Mention All Conference as did Bob Starks. Paul Thompson was selected Most Improved Player.

Coach Morgan is looking for a little more luck next year in the one point decision games.

Girls' Buckets Aim, Shoot, Score a 7-3 Record

With Miss Luther's coaching hard practices, dedicated players and a lot of enthusiasm, the 1974 Girl's Basketball Team had the most successful season yet. The girls were 3-3 in conference and 7-3 overall. This year's team did a spectacular job of breaking or tying all but two team records.

Sue Mowris was "Ball Hawk" for

all but one game and received recognition by being voted Most Valuable Player and Co-Captain with Deb O'Leary. Laura Glass was chosen Most Improved Player. Julie Lubeck was high scorer for all but one game and the rest of the team put forth a fine effort with lots of promise for the future.

Swimmers Have Tough Competition

The 1973-74 Viking Swimmers started their season by winning 3 of their first 4 dual meets. However, they failed to win any other dual meets and finished with a 3 win, 8 loss, record. They finished 5th in the conference with a 2-4 record. The J.V. swimmers had a very good season and ended with an undefeated 11-0 record.

The swimmers were led by co-captains Eric Edmundson and Dave Urbanowski. The team voted Randy Peabody Most Valuable Swimmer and Rick Jones Most Valuable Sophomore. Kevin Kasmiskie was voted Most Improved Swimmer.

Hockey Increases It's Wins

The 1973-74 Hockey Team had a rough time competing in one of the toughest hockey conferences in the state. They finished with an overall record of 5 wins, 13 losses, and 1 tie. The team had a difficult time practicing outdoors because of the warm winter this year.

The team voted Mark Greenhalgh and John Lipke co-Most Valuable Players and Bob Stalsberg as Most Improved Player. Mark Greenhalgh was also awarded Team Captain and the First Annual

"Timmy Horton Award". The late Timmy Horton was a defenseman for the Buffalo Sabres of the N.H.L. The team will lose many of its players through graduation but Coach Griffin hopes to build his team back up with the remaining members and upcoming Sophomores.

Grapplers Take Big '8'; Send Two to State

For the second year in a row all three Parker Wrestling team's went undefeated. The Vikings were led by the Senior's whose 3 years at Parker have produced a 36-0 record. The 1973-74 Varsity JV, and Sophomore teams finished with 12-0, 13-0, and 17-0 records respectively.

The team elected Mark Gordon Most Valuable Wrestler, Kurt Miller, Most Improved and Team Co Captains Pete Swenson and Mark Tadder. Most Promising Sophomores were Dan Martin and Jack Slaback. Mark Gordon placed 6th in the State and Ron Mayfield was a State Qualifier. Coach Ron Cramer hopes that future teams can continue this winning tradition.

Girls' Volleyball Takes Regional Title

The 1973 Girls' Volleyball Team went into action early this fall under their new coach Miss Dyrud.

The varsity team had only one win in their dual meets but went on to take the Regional title. A new Ace Server Award was earned by Dorothy Deyer in Varsity action

and Jody Sands in Junior Varsity. Members voted Dorothy Deyer Captain and Most Valuable Player. Debbie Nelson was Most Improved Player.

With the return of this year's Juniors and Sophomores the next season looks like a winning one.

Vikettes Show Workmanship Throughout the Year

The Parker Vikettes, under the direction of Mrs. Judy Lese and captain Sandy Ebert, worked hard all year for their half-time performances at football and basketball games and to promote school spirit at pep assemblies.

The squad started practice early

at summer camps and workshops. At summer camp they received the Most Improved Squad award. In the fall, half of the Vikettes went to compete in Madison. They received a first place win of \$100.00 in Class B. They were a credit to Parker High.

Patty Bender and Connie Rankins enjoy pep assembly

Sophomores Pep Up Parker

The largest class to ever be at Parker was the Sophomore class with 631 students. Working with their advisor, Mr. Eugene Polzin were Sophomore class officers Bill Graf, president; Joe Clark, vice-president; Carol Stibbe, secretary, and Dan Martin, treasurer. They worked together on car washes, bake sales, and jams to make money for the prom next year. The Class of 1976 provided Parker with an extra boost of spirit. They possessed ample supplies of pep and enthusiasm by having won the spirit stick repeatedly
